

SECTION 11
POOL RESCUE EVENTS

11.1 POOL RESCUE EVENTS

Swimming pool based competitions are conducted by many fellow member countries of the International Life Saving Federation (ILS).

Pool Rescue Competition is included in the suite of events conducted in ILS World Life Saving Championships and other international competitions.

The conduct of Pool Rescue Competitions also provides a further avenue, outside of the ocean environment, for SLSA members to develop and to demonstrate their lifesaving and organisational skills.

SLSA has adopted specific sections of ILS Pool Rescue Rules and equipment as the standard for the conduct of its Pool Rescue Competitions.

The ILS Competition Manual is published at:

www.ilsf.org

To enable the conduct of competition the following areas of the ILS Competition Manual have been specifically adopted by SLSA:

- ILS World Record Principles and Procedures
- Wearing of Swim Caps in Pool Events, Simulated Emergency Response Competition
- ILS Pool Events Event Rules
- ILS Simulated Emergency Response Competition (SERC) Event Rules
- ILS Facility Standards – Pool Facility Standards and specifications
- ILS Equipment Standards and Scrutineering for Pool Manikins, Obstacles, Rescue Tubes, Swim Fins and Throw Lines.

Except where otherwise provided for by way of SLSA bulletins, the rules contained in the current SLSA Surf Sports Manual and subsequent bulletins shall apply for all other matters relating to conduct of SLSA Pool Rescue Competitions.
