Surf Life Saving Australia Honours consist of three levels of award according to the following criteria:

- **Life membership** (see Regulation 5.5) - awarded to members who have rendered distinguished voluntary service to SLSA for over a period of at least 20 years. To be considered as distinguished service, the service must be both sustained, and provide a conspicuous contribution.
- **President's Medal** (see Regulation 5.6) - awarded to members who have rendered significant and outstanding voluntary service to SLSA for over a period of at least 20 years.
- **Sustained Service Certificate** (see Regulation 5.7) - awarded to members who have rendered sustained and committed voluntary service to SLSA for over a period of at least 20 years.

Whilst this nomination form invites the proposer to identify the honours award they feel would be appropriate, the final level of award will be determined by the Australian Council. That decision will be final and no correspondence will be entered into.
