

Surf Life Saving Australia Disability and Cultural Diversity Audit Survey

This survey is being conducted by Surf Life Saving Australia (SLSA). The aim of the survey is to help identify programs and activities being delivered by clubs that provide access to people with a disability and people from Culturally and Linguistically Diverse (CALD) backgrounds.

Please take your time in filling out all questions in the survey. The information gathered from this survey will assist SLSA in identifying good practice and developing resources to assist other clubs in providing access opportunities.

Privacy

Any personal details that you provide are being collected by Surf Life Saving Australia for the purpose of the SLSA Disability Audit Survey. This information will not be disclosed to third parties. You have the right to access the information held about you by Surf Life Saving Australia.

People with a disability

Perception

What does disability mean to you?

What special needs do you think a person with a disability would have?

Participation

Do you have anyone with a disability participating in your club activities?

What level/type of disability do they have?

What activities are they able to participate in?

Are there any special adaptations that you have made to activities to cater for people with a disability?

Are there people with a disability participating in activities at your club without any adaptation? Please describe.

What level of disability do you think that your club has the capacity to cater for? Explain.

Programs

Do you provide any targeted programs for people with a disability?

What was your motivation for starting such a program?

What sorts of disabilities are catered for?

What is the program?

How is the program run?

How does your club access people to participate in this program?

Culturally and Linguistically Diverse (CALD) Australians

Programs

Do you provide any targeted programs for people from a CALD background?

What was your motivation for starting such a program?

Is there a specific background that is the focus of this program or is it a general target market?

What is the program?

How is the program run?

How does your club access people to participate in this program?
