National Rainwater and Greywater Initiative: Surf Life Saving Clubs Grant Application Form

Application number (Office use only)

This application form should be read in conjunction with the National Rainwater and Greywater Initiative: Surf Life Saving Clubs program guidelines (also found on the SLSA website – www.slsa.com.au). The application form must be completed in full by the applicant and approved by the club's executive committee. A copy of two written quotes for the proposed work and any water efficiency audit (if applicable) must be included with this application. This application form is current as of 1 October 2008.

This hard copy application is a temporary measure until an online application form is developed and made available through the SLSA website.
